

UTOPIAN

CONSULTANCY & CONSTRUCTION

A Civil Projects Consulting & Construction Firm..

About Us

UTOPIAN is a group of Civil Engineers and Architect. We create, improve and protect the environment in which we live. We plan, design and oversee construction and maintenance of building structures and infrastructure, such as roads, railways, airports, bridges, dams, irrigation projects, power plants, and water and sewerage systems. We also design and build tall buildings and large structures that can withstand all weather conditions.

Our engineers are most qualified in the application of planning, designing, constructing, maintaining, and operating infrastructure while protecting the public and environmental health, as well as improving existing infrastructure that may have been neglected.

Our work activities include:

- Undertaking technical and feasibility studies, including site investigations
- Using a range of computer software for developing detailed designs
- Undertaking complex calculations
- Liaising with clients and a variety of professionals, including architects and subcontractors
- Compiling job specs and supervising tendering procedures
- Resolving design and development problems
- Managing budgets and project resources
- Scheduling material and equipment purchases and deliveries

- Making sure the project complies with legal requirements, especially health and safety
- Assessing the sustainability and environmental impact of projects
- Ensuring projects run smoothly, and structures are completed within budget and on time.

We are a team of technocrats who provide Technical Consulting Services for infrastructure development such as:

- ☐ Buildings
- ☐ Bridges
- ☐ Roads
- ☐ Tunnels
- ☐ Pipelines
- ☐ Pre-Engineered Structures
- ☐ Steel Structures
- ☐ Water Tanks
- ☐ Industrial Buildings
- ☐ Special Structures
- ☐ Retrofitting of Structure

Our Mission

Our mission is to implement the 3 “E” in the projects

**Earthquake-
resistance Eco-
friendliness Economy**

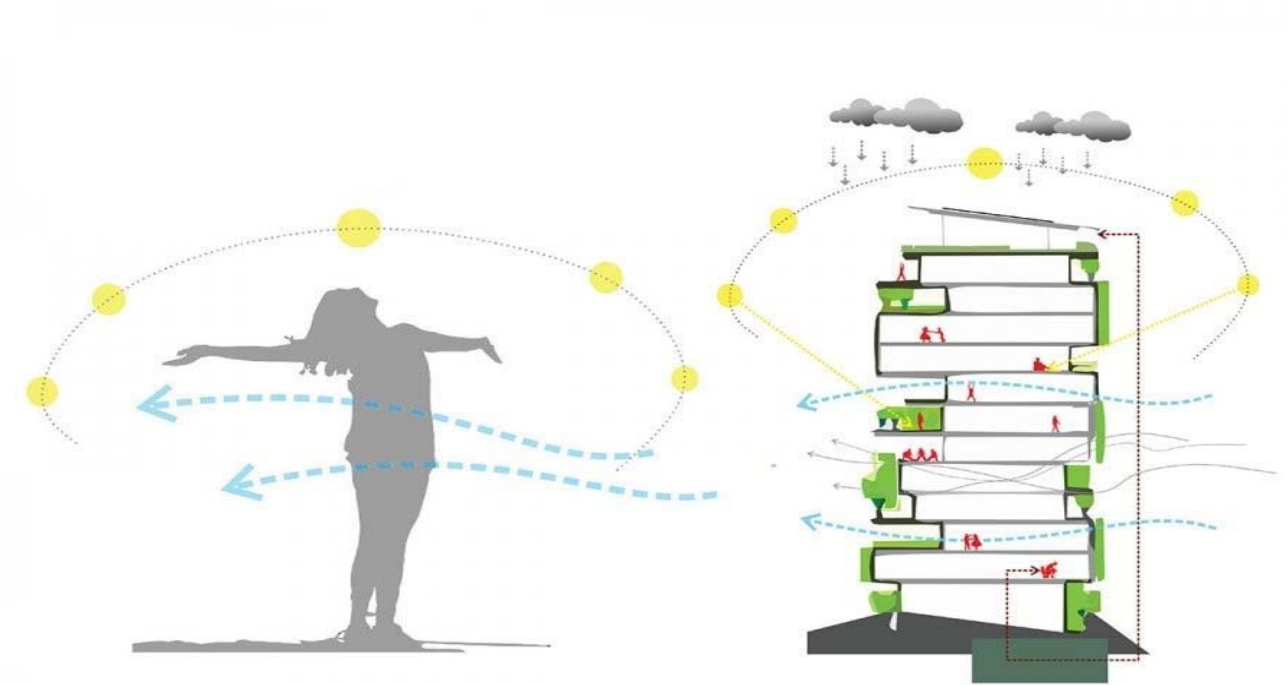

Maximize clients' Return on Investment through a commitment to effective business process management, determined to provide quality services, by efficient use of time, material, and human resources.

We believe in maintaining quality standards by ensuring that there are no delays or any redundant work or any material wastage.

Our Belief

Everything starts with a Dream.

We aim to fulfill the Dream.

Our Services

Architectural Planning & Structural Design:

- Conceptual design, master planning, and landscaping
- Architectural detailing and interior decoration
- Detailed structural analysis and design
- Bridge and tunnel design
- Sustainable infrastructure planning
- Rainwater water harvesting planning
- Energy optimization and lighting solutions
- Facility layout planning

Project Management & Construction Supervision:

- Quantity survey and cost estimating
- Master schedule development & updating
- Inspection & testing
- Infrastructure maintenance planning
- Land surveying and map preparation

Transportation Planning and Design:

- Rural and urban roadway transportation planning and design
- Streetscaping
- Interchange planning & design
- Traffic impact study for a specified region
- Vehicle parking analysis and design of parking facilities
- Intelligent transportation system
- Quality control and soil investigation
- Subgrade analysis and improvement

Consultancy Project

Major Project:

- Rapid Visual Study and Data Collection of 32Nos flood Shelters at different locations of Assam under Seeds Technical Services Pvt. Ltd. (Completed).
- Sub-Soil Investigation for Flood Shelters at 9 villages of Assam under Seeds Technical Services Pvt. Ltd. (Completed).
- Structural Design of Trussed Roof Shed for ICU Building (Block 4), Swargadew Siu-Ka-Pha Multispecialty Hospital, Sivasagar (Completed).
- Structural design and BOQ preparation for construction of Bio-Medical Waste Plant, Municipality Solid Waste Plant, Scrap Yard, and other allied services at Swargadew Siu-Ka-Pha Multispecialty Hospital, Sivasagar (Completed).
- Structural design and BOQ preparation for construction of Bio-Medical Waste Plant, Municipality Solid Waste Plant, Scrap Yard, and other allied services at Swargadew Siu-Ka-Pha Multispecialty Hospital, Sivasagar (Completed).
- Structural design of Central Mud Plant Facility for Drilling Services, ONGC, Sivasagar, Assam (Completed).
- Topographical Survey at the site of Central Mud Plant Facility for Drilling Services, ONGC, Sivasagar, Assam (Completed).
- Structural design of Emergency and OPD Buildings of Swargadew Sui-Ka-Pha Multispeciality Hospital (Completed).
- Planning and structural design of road and box-culvert at Central Mud Plant System and RCC storage tank of 200 cum capacity at Ligripukhuri, Assam. (Completed).
- Structural design and BOQ preparation for construction of eight allied structures at Swargadew Siu-Ka-Pha Multispecialty Hospital, Sivasagar (Completed).
- Structural design and BOQ preparation for construction of GYM and Block-8 (Laboratory Building) at Swargadew Siu-Ka-Pha Multispecialty Hospital, Sivasagar (ongoing).
- Structural design and BOQ preparation for eight new flood shelters and retrofitting of 20 school buildings at different locations of Assam, under Seeds Technical Services Pvt. Ltd. (ongoing).

Minor Project:

- Structural design of Public Stadium, North Bongaigaon, Assam (Completed).
- Architectural planning and structural design of five-storeyed Commercial building for Mr. Bhupen Bora at K. B. Road, Jorhat, Assam (Completed).
- Topographical survey and allied works for Construction of Eklavya Model Residential School (EMRS) at different locations in Mizoram (Completed).
- Structural design of G+3 Hostel Building of 15000 sq.ft./floor at Golaghat (Completed).
- Structural design of G+5 Apartment Building at Sixmile, Guwahati (Completed).
- Structural design of G+5 Apartment Building at Baghorbori, Guwahati (Completed).
- Non-destructive testing for structural health assessment of Building at Namdoyang LPS, Bokakhat, Golaghat, Assam (Completed).
- Consultancy services for rehabilitation and Retrofitting of Namdoyang LP School in Golaghat, Assam (Completed).
- Structural Drawings for the 5.5tr PSA Oxygen Plant for Govt. hospitals (Structural Drawings for the foundation and Steel Shed design) (Completed).
- Consultancy services of Flood Proof Assam-Type Community Shelter Home using Bamboo and R.C.C., at Jorhat, Assam (Completed).
- Consultancy services of an Anganwadi prototype center where follow the safety measures like flood, erosion, lightning, child, and earthquake (Completed).
- Planning and Structural Design of three-storeyed commercial building for Mr. N.A. Mazumder at Silchar, Assam (On-going).
- Planning and Structural Design of Trussed Roof single-storeyed Go-down building for Mr. N.A. Mazumder at Silchar, Assam (Completed).

Meet the Team

1. Mr. Jeherul Hussain (Proprietor)
(B.Tech. in Civil Engineering, J.E. Civil) Experience: 6 years
2. Dr. Sulaem M. Laskar
(PhD in Structural Engineering, IIT Guwahati) Experience: 11 years
3. Mr. Koushik Kalita.
(M.Tech. in Transportation Engineering, VNIT Nagpur) Experience: 6 years
4. Mr. Baharul Hussain
(M.Tech. in Structural Engineering, NIT Rourkela) Experience: 6 years
5. Ar. Debasish Talukdar
(B.Arch) Experience: 4 years
6. Mr. Ayush Bansal
(B.Tech. in Mechanical Engineering)
ASNT NDT Level II (RT & UT)
Experience: 4 years
7. Mr. Sami Ehtesam Raza
(M.Tech. and B.Tech. in Electrical Engineering) Experience: 6 years
8. Ms. Nabyata Choudhury
(B.Tech. in Civil Engineering, J.E. Arch.) Experience: 3 years
9. Mr. Bikash Jyoti Bora
(B.Tech. in Civil Engineering) Experience: 2 years
10. Mr. Kalpajyoti Kalita
(B.Tech. in Civil Engineering) Experience: 3 years
11. Ms. Ankita Bezbaruah
(Diploma in Civil Engineering) Experience: 5 years
12. Mr. Safiqur Rahman
(Diploma in Civil Engineering) Experience: 2 years

Registration Details

- ☐ GSTIN Reg. No.: 18AIRPH7326K1ZP
- ☐ APWD(Building) Registration No.: APWD-B/I(C)/2020-2021/259/6/GNL
